June, 2009

Dear Business Leader,

The Granby Early Childhood Council (GECC) is excited to announce a new event on Friday, September 25, 2009 called "Are You Smarter Than a Granby Student?" The game is based on the TV show "Are You Smarter Than a Fifth Grader", and contestants will test their knowledge of the Granby public school curriculum in categories such as Second Grade Math, Kindergarten Science, and Fifth Grade Social Studies. The event will be a fund raiser for the GECC, as well as a way to raise our exposure in town and offer an exciting family event. There will be a Kids Corner with activities for the preschool crowd. and a live band will play from the "pit". The GECC has partnered with the schools and students have written questions for the fall event. Teachers and students will also work on art projects for the sets.

This exciting new school/community/family event will be held at Granby Memorial High School, and prominent community members will be participating. To date, Simsbury Bank and the FV YMCA are the GECC's largest sponsors for "Are You Smarter Than a Granby Student?"

Please contact the GECC if you are interested in sponsoring the event, placing an "ad" in the event brochure and/or being a contestant in the game. Also, please contact the GECC if you would like to provide a raffle gift, an in-kind service that could be raffled at the event or an item to serve as a bag stuffer.

If you are interested in learning more about this event, please visit the GECC website at www.granbyecc.org where you can click on the apple link to learn about the event.

Please contact us with any questions. We thank you in advance for your support!
