

1. 8<sup>th</sup> Community Preschool Workshop: The seminar topic for the May 6<sup>th</sup> Preschool Workshop is “Goals for Practice for 08'-09' and Debrief.” Past Certificates of Attendance will be distributed at the May workshop.
2. Following the May 5<sup>th</sup> GECC meeting, the GECC Brochure will be available at many locations in the community. Please encourage all who see it to offer their comments and feedback on the GECC brochure. We want to be sure that the brochure is effective in communicating who we are, what our goals are and in our need for community participation and support in the work of the Council. The GECC greatly thanks Gary Ebersole for his work in developing the brochure.
3. The GECC website will also go “live” following the May 5<sup>th</sup> GECC meeting. Please go to <http://www.granbyecc.org/> to view it.  
John Kroninger has suggested that a “contact” for each link or logical section of the website be appointed to be the decision-maker about everything put on the website for that link or section. Anyone interested in volunteering to be a contact person for a section of the website, please either let Joan know or contact John directly at [jkroninger@yahoo.com](mailto:jkroninger@yahoo.com)  
The GECC greatly thanks John Kroninger for his work in developing the website with the input of GECC members.
4. Dot Muszynski, Gary Ebersole, Joan Rogers and Janet Ford attended the Granby Chamber of Commerce “Business After Hours” event on April 22nd at which time Janet provided a presentation about the GECC and its mission to the Granby businesses in attendance. It is the hope that this will be the beginning of a relationship with the Granby business community, and that a partnership will develop in support of Granby's children and families.
5. The GECC is scheduled to present to the BOE on May 14<sup>th</sup>. If at all possible, please plan to attend this public meeting to show your support for and participation in the Council.
