

Press Release - Celebrate Granby 2008

June 14, 2008

On behalf of the Granby Early Childhood Council (GECC), I would like to take this opportunity to thank the Granby Chamber of Commerce for inviting the Council to participate in "Celebrate Granby." GECC members had a great time all day in the park offering a wide variety of activities for the communities' youngest learners. Celebrate Granby also afforded the Council a wonderful opportunity to meet many parents of young children, and other community members who have an interest in early childhood. Many who came to Celebrate Granby were able to learn more about the mission of the GECC which is to ensure that **"All children arrive at school healthy and socially and emotionally prepared for academic success and life-long learning."**

The GECC is very grateful to the Granby Chamber of Commerce for its invitation to participate in this important community event. A special thanks also goes to Roger Voyer, Chamber Administrator, for his tireless help with all of the details related to the success of this event. Thank you!

GECC and Discovery Grant Coordinator
