

Press Release - Celebrate Granby 2008

June 14, 2008

On behalf of the Granby Early Childhood Council (GECC), I would like to take this opportunity to thank the parents and all of the early childhood providers who participated in "Celebrate Granby" for taking time out of their busy schedules on an extremely hot day to offer a wide variety of activities for the communities' youngest learners to be able to enjoy in the park during this event. The energy and hard work that went into preparing for and hosting this event by the following members of the GECC demonstrates their passion for young children and early childhood:

Sue Easton-Schoenbrunn from Kid's Country
Laurelyn Keenan from Mountain Laurel Daycare
Helen Olsen from Kid Crossing Daycare
Karen Leveille from Kids on Silverbrook
Beth Sarnecki from Teddy Bear Daycare
Carolyn Rogers from Kurtain Climbers
Karen O'Keefe and Heather Hoppi of Patchwork Schoolhouse
Celeste Hassel of Creative Learning Preschool
Preschool teacher Sheri Litchfield
Parent Amanda Lukingbeal
Parent John Kroninger

As Coordinator of the GECC, I want to recognize this volunteer, collaborative effort by parents and early childhood providers that demonstrates once again the sense of volunteerism that is so alive in Granby. Thank you to all of the individuals listed above that made "Celebrate Granby" a wonderful event for the GECC and for children and families in the community.

Joan B. Rogers
GECC and Discovery Grant Coordinator
